Strong Man (performing under the big top)

Do you remember when you were not
Strong Man at the circus under the big top,
Oh, Strong Man…at the circus performing…
Strong Man…at the circus performing…
Strong Man…at the circus performing under the big top

Mild mannered man mostly curious and meek,
an animal in a cage or just a circus freak?
Oh, Strong Man…at the circus performing…
Strong Man…at the circus performing…
Strong Man…at the circus performing under the big top

Tattoos tell your story best,
You were a sailor on the Java Sea, but now you're just
Oh, Strong Man…at the circus performing…
Strong Man…at the circus performing…
Strong Man…at the circus performing under the big top

You tried, but could not clear your head
so you ran away to join the circus instead,
Oh, Strong Man…at the circus performing…
Strong Man…at the circus performing…
Strong Man…at the circus performing under the big top

Do you remember when you were not
Strong Man at the circus under the big top,
Oh, Strong Man…
Oh, Strong Man…at the circus performing…
Strong Man…at the circus performing…
Strong Man…at the circus performing under the big top
